

Faculty Profile

Name: Prof. Prakash Uddhav Ghadage

Designation: Assistant Professor

Qualification: M.Sc (Agri), NET

Specialization: Horticulture

Experience: 08 years Industry: Teaching

Email ID: prakash.ghadge@dyptc.edu.in

Areas of Interest:

1. High-Tech Horticulture
2. Organic Vegetable Production
3. Exotic vegetable Production

Courses Taught:

Sr. No	Subject/ Lab Details	Year
1	HORT-364	2012-13
2	HORT-243	2012-13
3	AEL-HORT-488	2012-13
4	HORT-232	2014-15
5	HORT-243	2014-15
6	AEL-HORT- 488	2014-15
7	HORT-232	2015-16
8	HORT-243	2015-16
9	AEL-HORT- 488	2015-16
10	HORT-111	2016-17
11	HORT-243	2016-17
13	AEL-HORT- 488	2016-17
14		2017-18

	HORT-111	
15	HORT-243	2017-18
16	AEL-HORT-488	2017-18

Projects Guided for UG Program:

1. Module- Protected Cultivation of High Value Horticulture Crops'

- a) During the year 2013-14 under the Project/Module Protected Cultivation of High Value Horticulture Crops' the students of VIII semester were hands on training of cultivation of Dutch Roses under Polyhouse and cultivation of Strawberry under Shade net House
- b) During the year 2014-15 under the Project/Module Protected Cultivation of High Value Horticulture Crops' the students of VIII semester were hands on training of cultivation of Dutch Roses under Polyhouse and cultivation of Cucumber crop under Shade net House
- c) During the year 2015-16 under the Project/Module Protected Cultivation of High Value Horticulture Crops' the students of VIII semester were hands on training of cultivation of Cucumber crop under Polyhouse and cultivation of Tomato crop under Shade net House
- d) During the year 2016-17 under the Project/Module Protected Cultivation of High Value Horticulture Crops' the students of VIII semester were hands on training of cultivation of Broccoli under Polyhouse and cultivation of Red Cabbage crop under Shade net House
- e) During the year 2016-17 under Project/Module Protected Cultivation of High Value Horticulture Crops' the students of VIII semester were hands on training of cultivation of Paprika Chilli under Polyhouse and cultivation of Broccoli crop under Shade net House
