

Faculty Profile

Name: Shailesh Jayantrao Dhakulkar

Designation: Assistant Professor

Qualification: M.Sc.Agriculture

Specialization: Genetics and Plant Breeding

Experience: Teaching: 10 Years and 02 Months: Industry: Nil

Email ID: *shailesh.dhakulkar@dyptc.edu.in*

Areas of Interest:

1. Agricultural Science
2. Research and Development
3. Extension activities.

Courses Taught:

Sr. No.	Course No.	Subject/ Lab Details	Year
1	BOT-111	Environmental Science	2008,2009 & 2010
2	BOT-122	Principles of Genetics	2008
3	BOT-356	Breeding Field crops	2008
4	BOT-233	Principles of Plant Breeding	2009-2013,2015-2018
5	BOT-234	Crop Physiology	2011-2012
6	BOT-245	Breeding of field and Horticultural Crops	2009-2013&2014-2018
7	BOT-356	Principles of Plant Biotechnology	2009-2018
8	BOT-367	Principles of Seed Technology	2010-14
9	BOT-478	RAWE Agricultural Botany	2010-2018

Projects Guided for UG Program:

1. RAWE Agricultural Botany SMS
2. Seed Production Module
3. Performance of New Variety Module

Projects Guided for PG Program:

1. Not applicable

Details of Participation in Conferences/ Seminars/ Workshops:

- 1."Advances in Forestry Education and Research and Extension". March 27-28,2003.
- 2."Emerging Trends in Fruit and Vegetable Processing"February 13-14,2015.

Publications:

1. Heterotic Expression for Nutritional Quality in Quality Protein Maize (*Zea mays* L.)
